Intermediate & Advanced Courses – 3, 4, 5, 6

The focus is on learning intermediate and advanced spoken and written language for everyday use. More aspects of Dutch language culture and etiquette are covered.

Intermediate: Levels 3 and 4

Level 3 courses are for people who have at least 50 hours of previous language study. You will further develop your ability to communicate in the Dutch language and increase your knowledge of culture and etiquette.

Level 4 offers the continuation of these courses; 75 hours of previous language study are required.

Advanced: Levels 5 and 6

Level 5 courses are for people who have at least 100 hours of previous language study. They will help you develop fluency and accuracy in the Dutch language. You will revise and increase your knowledge of grammar as well as gaining greater confidence in using the language.

Level 6: Conversation - The courses are designed for people with good command of the Dutch language who are willing to participate in discussions held entirely in Dutch.
